Ethics Review Committee  
University of Moratuwa

**Subject:** Permission to conduct "*Development of an Assistive Care BCI for a Locked-In Pediatric Patient*" project

Dear Members of the University of Moratuwa Ethics Review Committee,

We are writing to inform you that we, as the parents of the identified child, are aware of and support the project titled "*Development of an Assistive Care BCI for a Locked-In Pediatric Patient*". This project is a collaboration between the University of Moratuwa and the University of Colombo, with the guidance of Prof. Jithangi Wanigasinghe, our child's attending doctor.

We understand that the project will proceed only after obtaining ethical approval from the University of Moratuwa Ethics Review Committee, and we are willing to extend our cooperation for its successful completion.

Thank you.

Sincerely,
