Standard Conditions:

1. **Limit of Approval:** Approval is limited strictly to the research proposal as submitted in your application while considering any additional conditions advised by the UERC. The approval is valid for one year from the date of issue of this letter and the committee requires that you furnish an Annual/Final report once the study is concluded. If the study is continued for a period beyond one year, you are required to apply for an extension using the same report.
2. **Variation to the Project:** Any subsequent variations or modifications to this already approved methodology must be implemented after obtaining prior approval of the UERC. If the proposed changes are significant, the UERC may request you to submit a fresh application.
3. **Withdrawal of the Project:** If the project is discontinued before the planned completion, the UERC must be informed clarifying the circumstances.
4. **Monitoring the Project.** The approved project can be monitored at any time by the UERC.
